PROJECTS

Personal Portfolio Website Fall 2025

Web Programming Course Project • St. Ambrose University

- Designed and built a fully responsive, multi-section portfolio website using HTML5, CSS3, and vanilla JavaScript
- Implemented a dark/light theme toggle, animated typing effect, and dynamic portfolio filter to improve user experience
- Developed a client-side contact form with real-time validation and descriptive error feedback for all input fields
- Integrated a third-party REST API and built a modal dialog system for detailed project previews

WORK EXPERIENCE

Receptionist, May 2024 – Aug 2024 | Dec 2024 – Jan 2025

Reno Forklift • Reno, NV

- Managed inbound phone lines, triaged customer inquiries, and routed calls to appropriate departments efficiently
- Served as the first point of contact for walk-in clients, delivering professional and helpful service
- Assisted with administrative tasks, including document scanning, filing, and data entry

Merchandiser Dec 2024 – Jan 2025

New West Distributing • Reno, NV

- Visited retail locations on a six-day-per-week schedule to restock, rotate, and organize product displays
- Maintained accurate inventory placement across multiple accounts, ensuring brand standards were consistently met
- Demonstrated reliability and strong work ethic in a fast-paced, physically demanding environment
